

CAPE HORTICULTURAL SOCIETY

JOIN THE CHS (FOUNDED IN 1903) AND BECOME A MEMBER OF THE
OLDEST HORTICULTURAL SOCIETY IN SOUTH AFRICA

The Cape Horticultural Society encourages biodiversity – the growing of a variety of different plants for the benefit of all animal and insect life. A garden with birds, butterflies, chameleons, lizards and frogs, and alive with insects, represents a healthy garden in which plants flourish and the balance of nature exists.

The CHS discourages the use of chemicals and poisons in gardens and would only support the use of chemical supplements under certain conditions eg. in very poor soils.

Your annual membership fee enables you to:

- * Attend monthly meetings and garden visits
- * Receive a monthly newsletter giving information on our activities and practical gardening tips
- * Learn valuable information about all aspects of gardening in the Cape
- * Purchase unusual 'slipped' plants grown by members
- * Show off your blooms at monthly meetings
- * Participate in the activities of Mediterranean Gardening International

APPLICATION FOR MEMBERSHIP (March 2020 – end February 2021)

The Secretary (CHS), 22 Rustenburg, PINELANDS 7405 | Tel: 021-531-5713 | Fax: 086-514-0998 | e-mail: info@capehorticulturalsociety.co.za
