

# Barrydale Open Gardens

October 2019

A fertile spot in the  
arid Klein Karoo

Rosa  
banksiae and  
alba form

**Lotus berthelotii**  
from Canary Isles

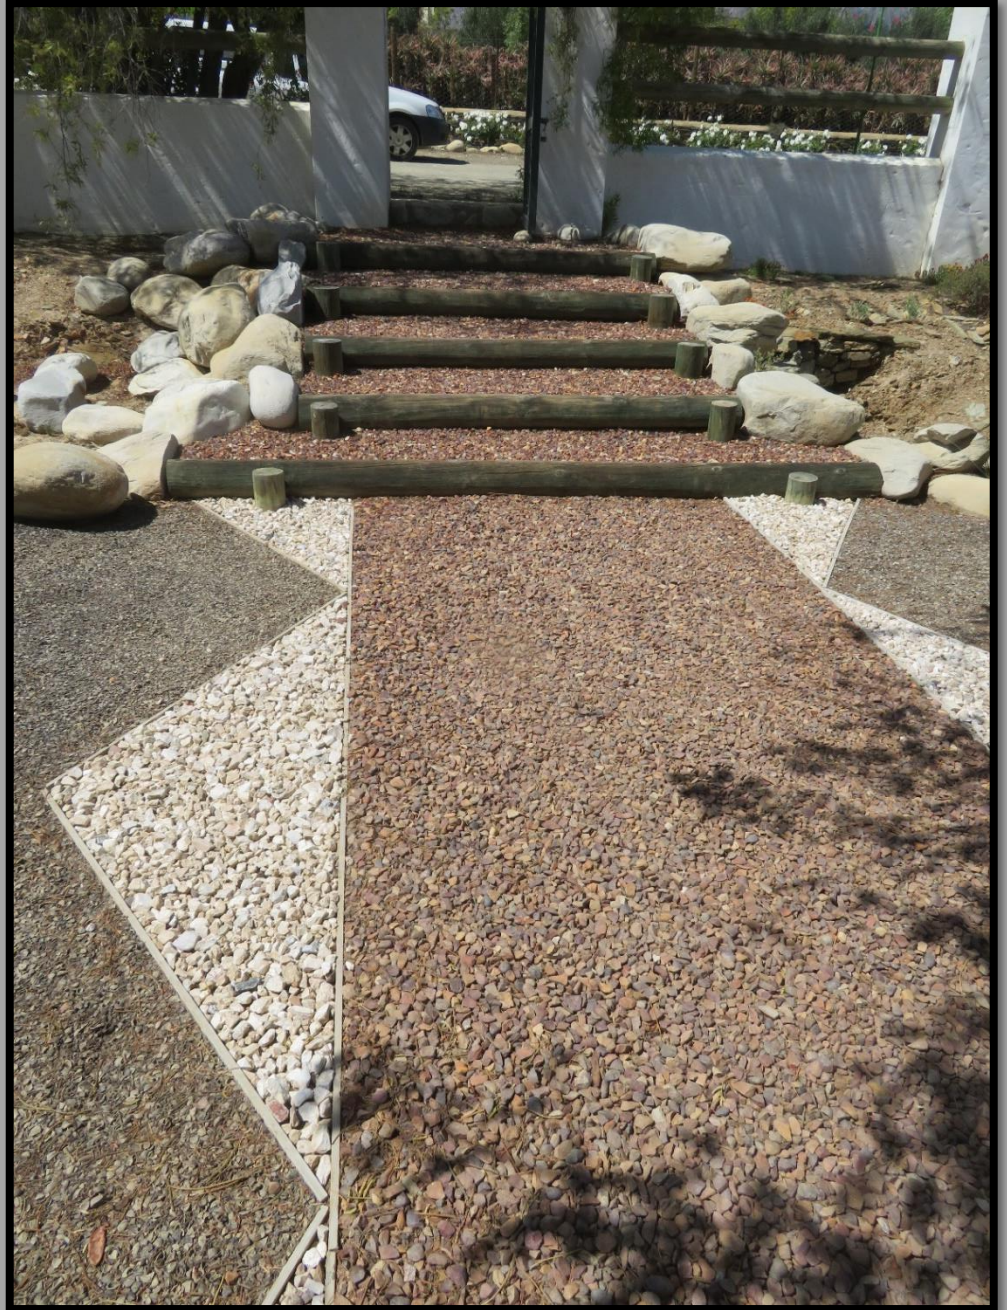

It wasn't always plants

**Echinopsis in flower**

# The Church Flower Festival

## Hildegard's two great loves

**Salvia namaensis**  
-Little and Great Karoo, Namibia  
and Namaqualand.

**Rooibos selected seedlings**

**Rosa chinensis viridiflora 1743**

**Lampranthus barrydalensis**

**Lewisias – Portulacaceae !**

**Tylecodon sp**

**Artemesia or what?**

**And this one ?**

**They recycle EVERYTHING !**

**Even bottle tops!**

**I mean REALLY EVERYTHING !**

**Pelargonium zonale**

**Polygala fruticosa**

**On the road to Sanbona -  
Gibbaeum pubescens –  
by the thousand!**

Now go home !
