

# WELCOME TO OUR MONTHLY PLANT SHOW AND TELL

5 April 2021

*Nerine sarniensis* – Yvonne has sent this photo of her late mom's favourite pot

Lyn also has *Nerine sarniensis*  
in her Bergvliet garden

*Maurandya erubescens*

*Centaurea cyanus* "Bachelor's Buttons"

Linda has a passion for Moonflowers. Her Constantia garden boasts quite a number *Brugmansia* varieties (flowers are pendulous) – yellow (left), pumpkin yellow (below), pink, cream with variegated leaves, singles and doubles.

*Datura* has upright flowers.

Both genera are toxic.

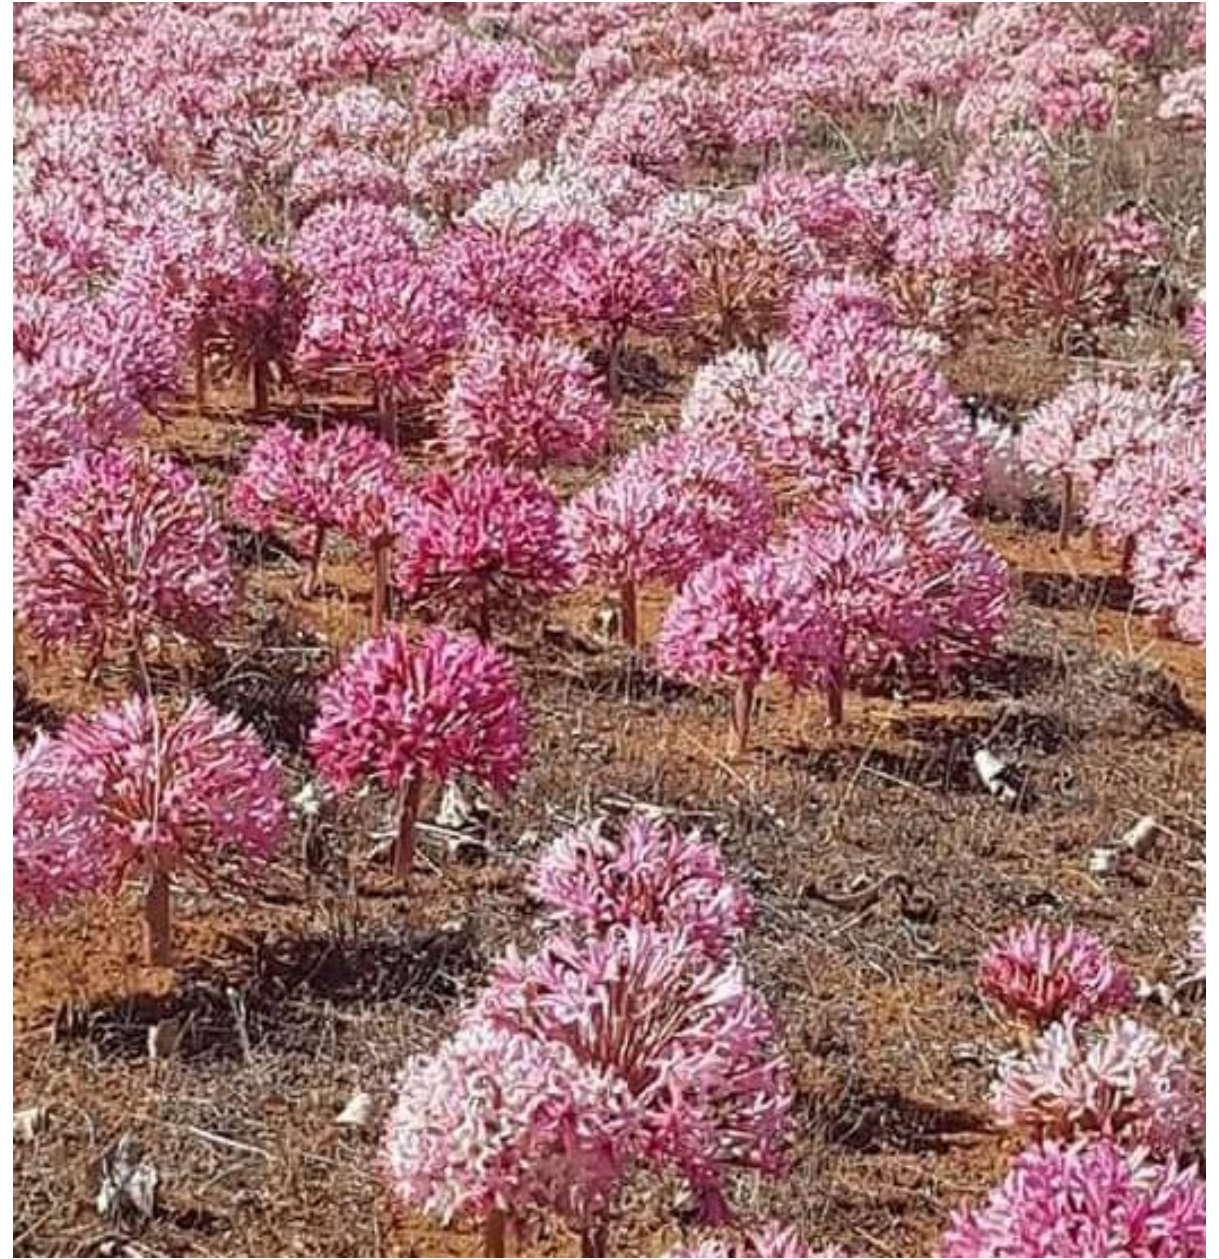

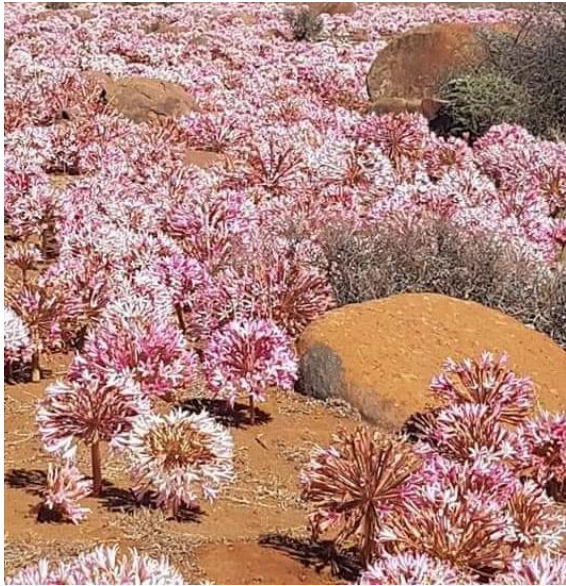

*Datura metel* – purple moonflower “Angel’s Pink Pearl”

*Brunsvigia orientalis* – at Sunset Beach, Milnerton

***Brunsvigia bosmaniae* – in Nieuwoudtville**
