FIRE!

Restorer of Life to Fynbos

‘They have lifestyles which have been shaped by fire over the last few million years -without it they perish leaving no offspring and confounding the biological imperative to reproduce’

‘Fynbos’

Richard Cowling and Dave Richardson

- **Frequency**
- **Time of Year / Season**
- **Intensity**
- **Vegetation Load**
- **Extent**

Mimetes sp

PRINGLE BAY

Bladderwort
